Employment status: Part-time

Job Title: Best Buy Mobile Sales Consultant
Auto req ID: 71422BR
Brand: Best Buy Mobile
Employment Category: Part Time
Job Level: Entry Level
City: San Diego
State: CA

About Us: **About Best Buy Mobile**

We all know by now that mobile phone technology is pretty amazing. But shopping for it isn't. At Best Buy Mobile™, we think there's a better way. We think customers deserve:

- The latest devices and services - all in one place
- Knowledgeable, impartial advice
- Competitive prices
- The ability to shop when and where you want
- To support you for the life of your products

Best Buy Company and its Family of Brands

Best Buy is the world's largest multi-channel consumer electronics retailer with stores in the United States, Canada, China, and Mexico. We are the 11th largest online retailer in the U.S. and Canada, we have the number one customer loyalty program of its kind and more than 1.6 billion visitors to our websites and stores each year. Our more than 165,000 employees are committed to helping deliver the technology solutions that provide value, enabling access to people, knowledge, ideas and fun – whether online, via mobile device or in our stores.

Posting Job Description:

What does a Best Buy Mobile Sales Consultant do?

Best Buy Sales Consultants excel at selling products and services, working closely with other members of the sales team. They accumulate the appropriate knowledge and expertise through continuous learning and self development. Then, armed with the right tools and knowledge, they create ease and add value to the Best Buy Mobile experience, ensuring customers' end-to-end needs are met. As a trusted advisor and partner, Best Buy Mobile Sales Consultants develop strong relationships with customers and bring them a little closer to family and friends by helping them close the gaps with technology.

The Best Buy Sales Consultant in Mobile Wireless engages customers utilizing selling skills to build connected solutions while maintaining a balance of high velocity and high service. They'll sell a broad range of mobile products and services using a proven structured approach while at the same time developing in-depth knowledge of the latest mobile technology.

100% of your time you will:

- Provide personalized service and exceptional expertise for customers.
- Handle all aspects of the sale including: customer contracts and warranties, customer payments, cash and credit card/check transactions.
- Develop, maintain and communicate strong, up-to-date knowledge of wireless products, accessories, pricing plans and service features.

What are the Professional Requirements of a Best Buy Mobile Sales Consultant?

Basic Requirements:

- High school diploma or equivalent
- 3-6 months working experience either in customer service or sales
- 18 years of age or more

Location Number: 002711-Mission Valley-Store

Additional Job Information:

About Us:

Best Buy Company and its Family of Brands

Best Buy is the world's largest multi-channel consumer electronics retailer with stores in the United States, Canada, China, and Mexico. We are the 11th largest online retailer in the U.S. and Canada, we have the number one customer loyalty program of its kind and more than 1.6 billion visitors to our websites and stores each year. Our more than 165,000 employees are committed to helping deliver the technology solutions that provide value, enabling access to people, knowledge, ideas and fun – whether online, via mobile device or in our stores.

Posting Job Description:

What does a Best Buy Sales Consultant – Tablets/MP3 do?

At Best Buy our mission is to leverage the unique talents and passions of our employees to inspire, delight, and enrich the lives our customers through technology and all its possibilities. If you have a passion and curiosity for what is possible and enjoy people, we invite you to join us on this mission.

Best Buy Sales Consultants excel at selling products and services, working closely with other members of the sales team. They accumulate the appropriate knowledge and expertise through continuous learning and self development. Then, armed with the right tools and knowledge, they create ease and add value to the Best Buy shopping experience, ensuring customers' end-to-end needs are met. As a trusted advisor and partner, Best Buy Sales Consultants deliver unique customer value by developing strong relationships with customers, bringing them a little closer to family and friends by helping them close the gaps with technology.

You're a techno learner who enjoys working with people--employees and customers! Sales Consultants must not only know latest products--mobile/MP3 devices, laptops, tablets--but stay ahead of the curve by frequently exploring and learning about new products and solutions.

80% of your time you will:

- Engage customers using selling skills to build complex, connected solutions in a fast-paced, dynamic environment where customers feel supported and leave delighted.
- Inspire customers by showing them what's possible with technology.

20% of your time you will:

- Use innovative training tools to stay current, confident and complete, driving profitable growth and achieving individual and department goals.
- Accumulate and apply the appropriate knowledge and expertise through continuous learning and self-development, enabling you to provide an excellent customer shopping experience.
- Maintain your department's merchandising and readiness to serve customers. Back up the sales team for phone and store pickup.
- Perform other duties as assigned.

What are the Professional Requirements of a Best Buy Sales Consultant?

Basic Requirements:

- 3-6 months experience working in customer service or sales

Preferred Requirements:

- High school diploma or equivalent
- 1+ years retail experience

Location Number: 000438-Mission Valley-Store

Additional Job Information: **What are my rewards and benefits?**

Discover your career here! At Best Buy we offer much more than a paycheck. Surrounded by the latest and greatest technology, a team of amazing coworkers and a work environment where anything is possible, you'll find it easy to be your best when you work with us. We provide an exciting work environment with a community of techno learners where you can be yourself while investing in your career. Empowered with knowledge you will discover endless opportunities to grow. From deep employee discounts to tuition reimbursement, to health, wealth and wellness benefits, to learning and development programs, we believe the success of our company depends on the passion of employees for learning, technology and people.

Job Title: Assistant Store Manager - Connectivity Sales
Auto req ID: 71502BR
Brand: Best Buy
Employment Category: Full Time
Job Level: Manager with Direct Reports
City: El Cajon
State: CA
About Us:

Best Buy Company and its Family of Brands

Best Buy is the world's largest multi-channel consumer electronics retailer with stores in the United States, Canada, China, and Mexico. We are the 11th largest online retailer in the U.S. and Canada, we have the number one customer loyalty program of its kind and more than 1.6 billion visitors to our websites and stores each year. Our more than 165,000 employees are committed to helping deliver the technology solutions that provide value, enabling access to people, knowledge, ideas and fun – whether online, via mobile device or in our stores.

Posting Job Description:

What does a Best Buy Assistant Store Manager in Connectivity do?

Best Buy Assistant Managers share the leadership of a Best Buy store with the General Manager and the Assistant Managers in other business groups, focusing on store profitability through creating, sustaining and energizing successful customer and employee experiences. Assistant Managers are problem solvers. They are specifically accountable for implementing defined business group strategies, analyzing business results, creating and communicating effective gap management plans and for managing and developing the supervisor team, enabling them to develop and coach their sales, services, and sales support teams to never leave any customer unserved or under served.

You're a techno learner who enjoys working with people--employees and customers! An Assistant Manager in Connectivity must not only know current products--mobile phones, laptops, tablets--but stay ahead of the curve by frequently exploring and learning about new products and solutions. Your strength lies in your ability to multi-task, easily moving from big picture responsibilities to serving customers and one-on-one coaching sessions with staff.

70% of your time you will:

- Implement the business group strategy, analyze business results to identify wins/opportunities and create plans to address gaps all in partnership with district leadership.
- Focus and fulfill tasks and responsibilities managing the customer experience, supporting business results and customer needs to include validating merchandise readiness to ensure the customer experience is positive in every channel and display functionality.

20% of your time you will:

- Ensure the Sales Supervisor understands, executes and achieves business group strategy, validates behavioral expectations and is held accountable for implementing that strategy.
- Ensure supervisors are armed with rigorous training and coaching necessary for a delightful customer shopping experience and an exhilarating employee development experience.

10% of your time you will:

- Coach others, giving them immediate feedback on how they're coaching their team members.
- Facilitate individual monthly reviews with supervisors to help them develop their leadership potential and perform quarterly performance appraisals.
- Work in partnership with district leadership selecting talented employees and building on their talent to support business group strategies.
- Perform other duties as assigned.

What are the Professional Requirements of a Best Buy Assistant Manager in Connectivity?

Basic Requirements:

- High school diploma or equivalent
- 6 months supervisory experience with a minimum of 10 reports (direct and/or indirect)

Preferred Requirements:

- Associates or Bachelors Degree in related field
- 1+ years supervisory experience
- Managing a multi-million dollar business
- Experience in the following areas: coaching, training, people management, problem solving
- 2+ years experience in a retail or customer service-oriented setting

Location Number: 000184-El Cajon-Store

Additional Job Information:

What are my rewards and benefits?

Accelerate your career with an iconic brand! Surrounded by the latest and greatest technology, a team of amazing coworkers and a work environment where anything is possible, you'll find it easy to be your best when you work at Best Buy. While you're making technology work for our customers, we're making sure Best Buy works for you. At Best Buy we offer top salaries for management, including short term incentive plans based upon business results, as well as endless opportunities to grow in a dynamic work environment part of an industry that never sleeps. From tuition reimbursement to deep employee discounts, to health, wealth and wellness benefits, we believe the success of our company depends on the passion of employees for learning, technology and people.
